

MAKING A DIFFERENCE TO OUR CHARITIES THIS CHRISTMAS

With building homes at its heart, Croudace Homes supports charities which assist those in need of housing, including those requiring emergency shelter.

We have formed partnerships with three UK based charities:
Step by Step; ShelterBox; and Herts Young Homeless.

Step by Step works with homeless young people to provide a structured scheme of accommodation together with vocational and life skills training to lead to independent living.

ShelterBox is an international disaster relief charity that delivers emergency shelter and vital aid to people affected by disaster worldwide.

Hyh is an independent charity that supports and empowers vulnerable young people, those in crisis and at risk of becoming homeless.

Christmas is now fast approaching and we feel it is important to think of those who are less fortunate, in particular those with no real place to call home and, in some cases, without even a roof over their head.

Therefore, Croudace Homes will make a generous donation of £450 (£150 for each charity) for every sale completed in the six week run up to Christmas.

We predict this will raise approximately **£40,000**; a meaningful donation to each of our partnership charities.

This money will make a real difference to those in need.
